

MANUAL of INSTALLATION

Model: 5705639733477 Magni gulvlampe

Step 1

Remove all the packages including below parts. Those are for fixing base unit in the packing box ONLY. No need for lamp installation.

- Washer
- Bolt
- Nut

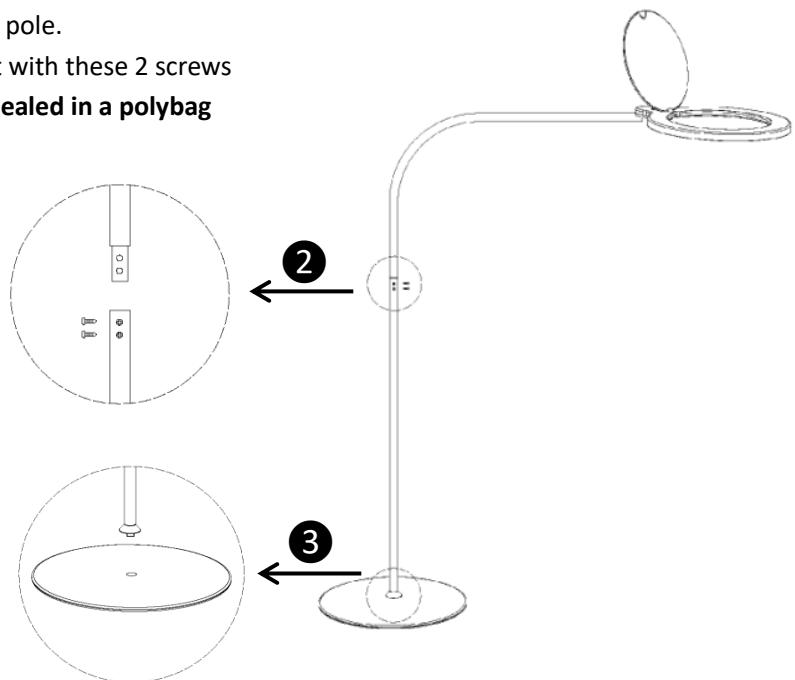

Step 2

Remove the 2 screws from the vertical pole.

Insert the flexible arm then fastening it with these 2 screws

Note: In box, there are 2 extra screws sealed in a polybag in case of lost.

Step 3

Insert the pole into the base unit and turning clockwise for proper fastening.

Step 4

Connect the DC plug from adapter with DC socket from the lamp.

Plug in the power adapter to a main socket outlet.
